

Aerobatic Clinic

Owatonna Airport (KOWA)

Greg Koontz is coming to Owatonna to do some Aerobatic Training with you! He will be here July 13th through July 19th. During that time he will be offering three clinics: Spin Recovery, Aircraft Upset and his full Aerobatic Course. The Spin Recovery and Aircraft Upset clinics consist of a morning ground school and an hour flight. The flights will be scheduled on a first come first serve basis, so plan on spending the day with us. The Aerobatic Course consists of a ground school and four flight lessons. We can discuss this schedule when you call.
